WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

**STATEMENT IN SUPPORT OF PETITION FOR REVIVAL OF AN APPLICATION FOR
 PATENT ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(b)**

Sir:

The above-referenced patent application was abandoned on June 1, 2007 for failure to timely file a proper reply to the Office Action mailed on December 1, 2006. Applicant hereby states that the entire delay from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Applicant believed that a proper reply was filed on February 28, 2007, but the reply inadvertently failed to include a required Terminal Disclaimer for U.S. Patent No. 6,350,928 which rendered the reply improper. Applicant first became aware of the abandonment on August 13, 2007 when Applicant received the Notice of Abandonment mailed on August 8, 2007.

Respectfully submitted,

**REQUEST FOR RECONSIDERATION UNDER 37 CFR 1.111
 ACCOMPANYING PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT
 ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(b)**

Sir:

The present paper is filed in response to the Office Action in the above-referenced patent application mailed on December 1, 2006. The Office Action rejects all pending claims 1-39 in the application. Each specific ground of rejection is addressed below.

Rejections Under Double Patenting

Claims 1-39 are rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-24 of U.S. Patent No. 6,703,534. Applicant previously filed a Terminal Disclaimer for U.S. Patent No. 6,703,534 and an associated Statement Under 37 CFR 3.73(b) in the instant patent application under a transmittal dated February 28, 2007.

Claims 1-39 are rejected under the judicially created doctrine of obviousness-type

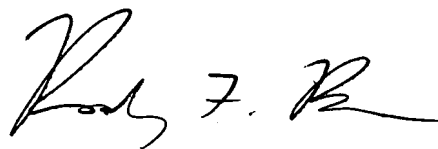

Application No. 10/718,249
Reply dated August 15, 2007
Reply to Office Action of December 1, 2006

double patenting as being unpatentable over claims 1-27 of U.S. Patent No. 6,350,928. Please enter the enclosed Terminal Disclaimer for U.S. Patent No. 6,350,928 and associated Statement Under 37 CFR 3.73(b) in the instant patent application.

It is respectfully submitted that the above-recited Terminal Disclaimers traverse the nonstatutory obviousness-type double patenting rejections of claims 1-39 in the instant patent application and place the claims in a condition for allowance. Accordingly, an early notice of allowance is earnestly solicited. The Examiner is requested to call the undersigned at (858) 272-8705 for any reason that would advance the instant application to issue.

Finally, enclosed as requested by the Examiner are copies of the Foreign Patent Documents and Other Documents cited in the Information Disclosure Statement filed on May 26, 2004. The Examiner is requested to confirm her consideration of the submitted references by appropriately marking the enclosed copy of Form PTO-1449, page 2, which was previously filed with the Information Disclosure Statement of May 26, 2004.

Respectfully submitted,
